

## Researching your Medicare plan options

When looking for the best plan for you, you'll want to consider what benefits, costs and extras are important to your needs. Use this worksheet to help you.

### 1 Important features

#### Premiums and out-of-pocket costs

- I would rather pay more for my monthly premium and have lower copays on health care visits and services
- I would rather pay more for my copays on health care visits and services and have a lower monthly premium

#### Benefits and features

- Part D prescription drug coverage
- Preventive dental coverage
- Vision and eyewear coverage
- Hearing exam and hearing aid coverage
- Fitness membership
- No cost annual physical exam

### 2 Doctor network

Next, let's check to see if the doctors, clinics and hospitals you typically visit are covered in the plan.

**Primary care physician (name, location):**

---

2

Doctor network continued

Specialists (type, name, location):

Three horizontal lines for text entry.

Preferred hospital (name, location):

One horizontal line for text entry.

3

Services you use

Frequent types of care and copays (examples: physical therapy, etc.)

Five horizontal lines for text entry.

4

Prescription drugs

NAME	DOSAGE	COPAYS
------	--------	--------

Five horizontal lines for text entry.
